St. Thomas is putting together a Church Seasons cookbook featuring favorite recipes that members of our community brought to St Thomas events in 2007 (such as the lenten soup series, the sacred stitcher’s holiday party, Brad’s retirement party, the homecoming BBQ, Rite 13 dinner, summer breakfasts, altar guild supper, Christmas eve cookies, etc.)

We would like you to submit the recipes you brought (or your favorite recipes) so others can share in our ministry of hospitality.

Volunteer participation will result in a reasonably priced cookbook, and proceeds from sales will help fund St. Thomas Outreach; ie: bread baking, Habitat lunches. Please help by contributing recipes, preferably in Microsoft Word format, or fill out this form and drop off at the church office. Recipe deadline is October 15 to be available for Christmas gift giving.
